

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

WYKANUSH VENTURES LLC, *et al.*,

Plaintiffs,

v.

KARSTAN WALKER, *et al.*,

Defendants.

Case No. C21-5710-DGE-MLP

ORDER

Plaintiffs filed this action in September 2021 and obtained an entry of default against all Defendants by February 2022. (Dkt. ## 1, 16, 24.) On June 30, 2022, the Court ordered Plaintiffs to show cause why the action should not be dismissed for failure to prosecute. (Dkt. # 29.) In their response, filed July 15, 2022, Plaintiffs stated they were preparing subpoenas duces tecum and anticipated filing for default judgment within 90 days. (Dkt. ## 30 at 4, 31 at ¶¶ 7-8.) On July 22, 2022, the Court concluded “[t]he public policy favoring disposition of cases on their merits weighs against dismissing the action at this time” and ordered Plaintiffs to file a motion for default judgment or a status report within 90 days. (Dkt. # 32 at 2.)

On October 20, 2022, Plaintiffs filed a status report. (Dkt. # 33.) Plaintiffs assert they have issued five subpoenas and expect to receive subpoenaed documents “shortly” that will

1 evidence their damages. (*Id.* at ¶ 1.) Plaintiffs “anticipate filing their Motion for Default
2 Judgment on or before December 19, 2022[.]” (*Id.* at ¶ 2.)

3 Based on Plaintiffs’ representations that the information they require to resolve this case
4 will be received imminently, the Court concludes that additional time to file a motion for default
5 judgment is reasonable. Accordingly, the Court ORDERS Plaintiffs to file a motion for default
6 judgment by December 19, 2022. No further extensions should be expected.

7 The Clerk is directed to send copies of this Order to the parties and to the Honorable
8 David G. Estudillo.

9 Dated this 24th day of October, 2022.
